

GÖTA KANAL

## Important information

### Transition between peak and pre-order season

This is for those who travel on Göta Canal in the transition between the peak and pre-order season. From the 16th of August we have a set itinerary with a lock keeper that follows the boats along the Göta Canal. We will gather the remaining boats in the Göta Canal and travel in convoys. Below you can see the starting places and days.

**Please call +46(0)141-20 20 50 and book your itinerary for the following days, no later than Wednesday 15<sup>th</sup> of August at 12.00.**
