

Itinerary, Göta Canal Classic, Pre-order season, Sjötorp-Mem, 5 days. Have a pleasant journey!

During the pre-order season, you and other boats travel with a set itinerary. The group is accompanied on the journey by a lock keeper, who opens and closes locks and bridges and helps if you have any questions. The specified arrival times are approximate. Together with the lock keeper you agree on lunch breaks. The Göta Canal Skippers' Guide and the Göta Canal app provide information on marinas, locks, filling stations and more.

If you are travelling between Gothenburg and Vänersborg, you will pass through the Trollhätte Canal, 80 km, and Lake Vänern, 118 km. The Trollhätte Canal is open every day. For more information, visit www.sjofartsverket.se.

Sjötorp–Töreboda

19 locks, 19 km

08.30 The Canal office in Sjötorp opens. Check-in.

09.00 Dep Sjötorp.

Approx 16 Arr Töreboda.

Night harbour: Töreboda marina.

Day's trip: Your canal journey begins in the idyllic canal town of Sjötorp. After five locks, you arrive in Lyrestad and soon pass the grand Norrqvarn hotel with its mini canal. The Riksberg locks and the Hajstorp lock area are well-known tourist attractions before you reach your night harbour in Töreboda.

Töreboda–Karlsborg/Vättern

2 locks, 2 lakes, 46.2 km

09.00 Dep Töreboda, road bridge opens.

Cross Lake Viken, 22.8 km.

14.30 Brosundet bridge opens (Lake Viken), remotely controlled from the Forsvik lock.

15.30 Arr Forsvik.

Cross Lake Bottensjön, 7.4 km.

About 16 Karlsborg, road bridge opens, remotely controlled from the Forsvik lock.

Night harbour: Karlsborg marina, east of

the road bridge, in Lake Vättern,

alternative Motala marina.

Day's trip: The stretch leading to Tåtorp is surrounded by leafy woodlands and farmland, and has no locks. In Tåtorp, the lock is still operated by

hand. Now you come to a lovely stretch of the canal, Lake Viken, with narrow passages, deep woods and tiny islands. The Forsvik lock is the oldest lock on the canal, built in 1813. Karlsborg is home to the impressive Karlsborg Fortress.

Vättern/Motala–Borensberg

6 locks, 2 lakes, 49 km

Free time/crossing Lake Vättern, 32.5 km.

16.00 Dep Motala lock.

Approx 18 Cross Lake Boren, 13 km.

Night harbour: Borensberg marina.

Day's trip: You cross Lake Vättern, Sweden's second-largest lake. The Motala marina is close to all the shops the town has to offer. The Borensbult locks are the second-largest flight in the canal, with five locks. After you cross Lake Boren, you'll reach the marina in the idyllic Borensberg.
